Our Mission

We are committed to protecting the planet in everything we do. As one of the UK's leading gifting companies and proud recipients of the Ethical Company Award, we've spent over a decade creating beautiful, eco-friendly gifts that combine extraordinary produce and design, whilst maintaining our respect for the environment.

Giving Back Matters...

We've **donated over £800,000** to UK charities including our chosen partners:

Supporting our planet and our people

Zero Single Use Plastics

100% Recyclable Packaging, Ethically Sourced Products and Carbon Conscious from Production to Dispatch.

We've removed all single-use plastics from our products and operations. Every single element of our packaging is either recyclable or compostable, ensuring your gift is as kind to the planet as it is to the recipient.

Quality and Sustainability

For numerous years we have been proud to have achieved a **perfect independent 100/100 ethical score rating**, and be the recipient of the Ethical Company Award.

Forward Thinking

Our state-of-the-art facilities have eliminated gas use, introduced solar power, and **fully recycle all waste**, including over 104 tonnes of green waste annually - the equivalent of eight double-decker buses!

Partnered with...

We have planted over **12,500m² of wildflower meadows** in the UK

We've supported three surveys of **UK kelp restoration** sites

We backed national campaigns to **protect endangered British species**

We support the protection and **restoration of UK temperate rainforests** in Devon and Cornwall

Supporting British Farmers and ethical farming practices

Providing education and healthcare in Kenya

Making a difference: Supporting conservation throughout the UK
